Ignite the Stars (Ignite the Stars, #1) by Maura Milan Ignite the Stars is a fast-paced sci-fi adventure with strong female characters. If you can suspend disbelief to get past the idea that a 17-year-old girl has been the most wanted criminal/rebel in the universe for several years, then this book is a fun ride, with a side of social commentary on immigrants and refugees. Amazon.com: Ignite the Stars (9780807536254): Maura Milan ... Iâ€™m on the fence about whether to give Ignite the Stars four or five stars, but Iâ€™m rounding up, because if Iâ€™m not allowed to give halves, thatâ€™s what I do. Ia Cocha, an allegedly feared outlaw, is captured in the first chapter, and everyone is shocked she is a teenage girl.
